MARK P. BOETTCHER, ESQ. — LAWYERS REALTY, LLC

48 MARKET ST., STE. 2C, MOUNT CLEMENS, MI 48043 | 586-596-3889 | WWW.LAWYERSREALTYMI.COM

One of metro Detroit's real estate transaction experts, attorney, mortgage broker and Realtor Mark P. Boettcher, formed LawyersRealtyMI.com to better serve your real estate buying, selling, and financing needs. With more than \$300 million in real estate transactions behind him, and armed with his law degree and mortgage broker's license with Zana Financial, Mark Boettcher has few equals in terms of the sophistication and services he provides for purchasers, sellers, and mortgagors of real property. He has seen, firsthand, the problems inadequate fill-in-the-blank Realtor documentation so often causes for home buyers and sellers, and he protects his clients with his contract expertise and decades of real estate experience — saving time, money, and frustration. He combines his expert knowledge of real estate markets, law, finance, negotiations, technology and marketing to be your Realtor of choice. Hiring Realtor Broker/Owner Mark P. Boettcher, Esq. provides added value for your property search, sale, or financing. The Lawyers Realty team lives and values diversity, its members speak Romanian, Spanish, Albanian, and Serbian.

I encountered a challenge with my mother's estate re: access & re-titling. I followed Mark's direction and the problem was resolved. Mark refused payment for his advice pertaining to my mom's estate.

Thank you, Mark.

The Faces of Public Relations - Tina Kozak & Dan Ponder — Franco 
Public relations is more than a face. The depth and breadth of the industry is changing. Traditional PR continues to evolve, and so does Franco. Today, PR is complex. It takes experience to find balance in creativity and data, analytics, and emotion. PR is content and social media, digital marketing, and design. It's thinking different, listening, and engaging. And, yes, PR is all about community. That's why Franco's reputation is stronger than ever.

The Face of Modern Kitchens & Baths - Robert Nusbaum — Euroamerica Design 
Contemporary design continues to increase in popularity in the kitchen and bath, as well as throughout the home. Beyond the high demand for gloss lacquer cabinets, many contemporary kitchens and baths actually include soft woods, textured veneers, and rustic modern designs. A soft, contemporary kitchen or bath can seamlessly be incorporated into any style home, from modern to traditional.
